WHY OMIS

Designed For Quality Basic Education

Small Class Sizes
We maintain smaller classes to give every learner better attention, support and guidance.

Standard Classrooms
Our classrooms are organized to support active learning, discipline and academic growth.

Internet Connectivity
We use connectivity to help bridge the digital divide and expose learners to modern tools.

CCTV Monitoring
Our monitored environment supports child safety and gives parents greater confidence.

Hygienic Restrooms
We prioritize clean and safe facilities because health and comfort affect learning.

Holistic Values
Respect, responsibility and excellence guide the way we teach, mentor and develop children.

MISSION

Preparing Good Citizens

OMIS' mission is to provide excellence and access to private basic education and prepare young people to grow up to become good citizens to their communities and the world.

VISION

National Recognition Through Excellence

To become a nationally recognized basic education institution in Ghana that provides innovation and high quality education through teaching excellence in a highly conducive environment.
